President’s Podium

What a great night we had at our last meeting, on Monday, 29 September, 2014.

Peter Mehta and Jen Shearer from the Scottish Rotary Clubs of Stirling and Callander & West Perthshire, respectively, were wonderful visitors and certainly whetted our appetites for visiting the Stirling area in Scotland. Peter has started a wonderful Rotary tradition of passing the “Quaich”, the traditional Scottish drinking vessel, to the respective Rotary Clubs of Stirling around the world. It seems we may not have it long; Trevor McGuirk was quick to announce that he is visiting Canada next year on the Rotary exchange and will present the “quaiche” to the Rotary Club of Stirling, Ontario.

The visit reminded me of the wonderful community that we have in the Adelaide Hills. That view was reinforced when I was privileged to be a guest of the Adelaide Hills Petanque Club at the opening of its new clubrooms in Stonehenge Avenue, Stirling. The President is none other than our very own Don Moyse and after the official unveiling of the plaque, by Mayor Bill Spragg, “The Don” gave a typically humorous account of the Club, its chequered history before it found its present home and the successful fundraising that led to the construction of the new, spacious clubrooms. The event, which was attended by probably in excess of one hundred people – a number of whom I recognised as representing other community groups in our area - was carried out in an atmosphere of great camaraderie, topped off by a delicious lunch.

Friday, 3 October, Trevor McGuirk, Ken Jeffery, Greg Russell and I were in Stirling for the Hat Day Badge Sales. In a couple of hours we raised $264.35, thanks to people’s generosity. It was good practice for Sales in the city on Friday, 10 October.

Our Hat Day is on Monday, 13 October. Come and join the fun and listen to our great guest speaker, Professor Michael Sawyer from the University of Adelaide whose expertise is in child and adolescent mental health.

I hope that you are encouraging all your friends and relatives to come to our film afternoon at the Regal Theatre on Sunday, 2 November. The film, “The Judge” was reviewed last Tuesday evening by David Stratton and Margaret Pomeranz on ABCTV’s “At the Movies”. Both gave it The Tick, with David giving it a 4 and Margaret a 3. It was the highest rated film reviewed that evening, so we can all promote it strongly in the knowledge that everyone is highly likely to enjoy it.

Robert Koehne

Congratulations to Niki and Michael Christou on the safe arrival of their baby daughter, Malee-Ann. She was born at 12.43am on the 6th October, weighing in at 2.5kg.
Peter Mehta presents RC Stirling President Robert Koehne a Quaich.

The quaich is a two handled shallow drinking bowl which in times gone by was filled with a wee dram of whisky and passed around the group for each to take a sip.

Peter explained that gift came with a string attached. In the event a member from a RC Stirling travels to another RC Stirling either in Scotland or Canada the quaich should be taken and presented this club. Subsequently when a club member from this club travelled to another RC Stirling they should present the quaich to this club and so the cycle continues.

October is Vocational Service Month in the world of Rotary. What is vocational service? If you are an active, engaged Rotarian, you probably view vocational service as a way of life, even if you find it difficult to articulate a clear definition.

The concept of vocational service

The Object of Rotary is a philosophical statement of Rotary’s purpose and the responsibilities of Rotarians. The concept of vocational service is rooted in the Second Object, which calls on Rotarians to “encourage and foster”:

- High ethical standards in business and professions
- The recognition of the worthiness of all useful occupations
- The dignifying of each Rotarian’s occupation as an opportunity to serve society

As a Rotarian, how can you put these ideals into action? Consider these suggestions:

- Talk about your vocation in your club, and take time to learn about fellow members’ vocations.
- Use your professional skills to serve a community.
- Practice your profession with integrity, and inspire others to behave ethically through your own words and actions.
- Help a young person achieve his or her career aspirations.
- Guide and encourage others in their professional development.

If you do any of these things, you are performing vocational service. And if vocational service motivates and energizes you, then you’re in the right place, because vocational service is the very essence of Rotary. It is what sets Rotary apart from other service organizations.
The Four-Way Test asks the following questions of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?
